2010 – 2011 Season

# Registration Information

Registrar: Pat Johnston, 613-821-1157, registrar@mdra.ca

The Metcalfe and District Ringette Association (MDRA) registration process is guided by “MDRA policy – Player Registration”. This policy is available at [www.mdra.ca](http://www.mdra.ca) under [Resources](#).

## Registration Deadlines and Discounts

General registration deadline is June 30, 2010. Registrations received after the deadline will be placed on a waiting list. Registrations received on or before May 31, 2010 receive an Early Bird Discount of \$30. The second and subsequent players from a single family receive the Family Discount of \$20.

## MDRA Boundaries

MDRA is committed to respecting the boundaries of other Ringette associations. The MDRA area includes the former Township of Osgoode and the Townships of Russell and Winchester. Areas south, east and west are not part of an association and MDRA will accept players from these areas. If a player lives within the boundaries of another association, she must register with that association or be released to MDRA. Bunny players may register out-of-association, however, they will be required to register with their home association when playing in the Novice division and above.

## Playing Out of Area

A player will be considered for release to play in another association according to MDRA, NCRRL, ERRRA and ORA policy. If a player intends to try out for a team with another association because a particular division or level of play is not offered at MDRA, the player must register with MDRA to reserve their place on the waiting list or on a team in the event the player does not make the team with the other association.

## New Players

MDRA welcomes new players in all age divisions. If new to Ringette, the attached Ontario Ringette Association Membership Registration Form must also be completed, and proof of age (e.g. copy of birth certificate or passport) must be included. If new to the MDRA but the player has played in Ontario before, then an Ontario Ringette Association Player Relocation Form (<http://www.ontario-ringette.com/administration/documents/mf18.pdf>) must accompany this registration form.

Full Ringette equipment is always worn when on the ice for all divisions, including Bunnies. Ringette equipment is similar to hockey with a different face mask and stick. Hockey pants and socks can be worn, or Ringette pants and girdle. For more detail, see the [About Ringette](#) link at [www.ontario-ringette.com](http://www.ontario-ringette.com).

## Bunnies

The “Bunnies” learn-to-skate program is for children who are four years old by September 1, 2010. Players new to Ringette seven years old and older usually register for Novice and are seeded according to their abilities. Depending on sponsorships, Bunnies may receive a team jersey in September. Bunny parents who skate are strongly encouraged to assist on the ice, especially during the first several weeks of the program.

## Fees

Fees for the 2010-2011 season are \$280 for Bunnies, \$480\* for Novice to Belle, and \$65 for the Powerskating Program. Payments can be made in up to three installments due September 1, October 15 and December 1. The table below shows the fee amounts, and installment amounts, depending on the program and discounts that apply. A registration is not complete until payment (incl. post-dated cheques) has been received. Make cheques payable to “MDRA”. \*(includes \$30 jersey replacement fee)

An NSF fee of \$25 will be applied to all cheques returned. Fees are refundable according to the policy on the website. Tax receipts will be issued in January.

## Season Start-up

This season we have ice for some try-outs and perhaps Powerskating in late August. Watch the website for the latest information on season start-up.

MDRA’s winter ice begins the first week of September. Bunnies starts later in September. Emails will be sent, but players are expected to be watching the MDRA Website at [www.mdra.ca](http://www.mdra.ca) where all season start-up information will be posted as it becomes known.
