Questions and Answers

How many teams do you have?

In 2007-08 there were ten teams plus 40 kids in our Bunnies Learn-to-skate program. We had 174 players registered, which is 17% more than the year before, and 60% more than five years ago.

What areas do you serve?

MDRA's area is the former Township of Osgoode and Russell Township. We also draw players from the former Rideau Township, the Winchester area and points beyond.

Why don't the girls play hockey?

The girls love Ringette! It is fast (faster than hockey!), exciting, has its own culture, and it's all theirs—and that's great!

What are the divisions and levels in Ringette?

In Ringette, the typical ages are: Bunnies for 4-6, Novice for 7-9, Petite for 10-11, Tween for 12-13, Junior for 14-15, Belle for 16-18, and Open for 19+. MDRA hosts only the under 19 kids' divisions. Like other sports, there are house league (B & C) teams and competitive (A, AA & AAA) teams. Ringette also has provincial and national teams, as well as university teams.

How often do the girls play?

The pre-season starts in early September. From October to March we aim for one practice and one game per week. Most teams compete in three tournaments as well.

*Colleen Hagan, Julie Blanchette and Stephanie Seguin from Team Canada captured the MDRA players at the Hornets' Banquet. Ms. Hagan explained Team Canada's motto: "Big, Free, Canada". **BIG** is to think big, have a big heart and be big on the ice. **FREE** is to play free of distractions, fear and judgement. **CANADA** is to play proud! These Team Canada players were very inspirational for our young players!*

Jersey Sponsorship Agreement Additional Details

MDRA is thrilled you have decided to support our association and make this tremendous contribution to our community. We encourage you to keep an eye on the MDRA website through the season. You can see when the games are on and we'd love to see you come and enjoy the game.

We hope the information about the sponsorship is straightforward. Listed below is some additional information about sponsoring a particular team, and also about the payment requirements.

Preferred Team

Where a sponsor wishes to sponsor the jerseys for a particular team, MDRA will honour this request for only the 2008-09 season since we don't know where particular players will play in future years. In addition, MDRA will supply all teams with yellow jerseys first before accepting a team sponsor for a blue jersey.

Payment Details

It is most helpful to MDRA to receive full payments for all sponsorships immediately. However, it is recognized that some sponsors may wish to spread the payments over two years. In this case, the first payment is due when the sponsorship is accepted. Invoices will be sent in April 2009 for the second payment, which is due no later than June 1, 2009.

Official Receipt

MDRA will provide an official receipt within 30 days of receiving payment.

If you have any further questions, please contact either Chuck or Grant who are leading the Jersey Drive, or call me and I'd be glad to provide any details you might be looking for.

Chuck Robineau: 613-821-3981
Grant Hornsby: 613-489-5241

Thanks again!

Sincerely,

Geoff Valentine
